LIVING

Achievements

Living began with an innovative concept to creatively combine key elements of Senior Living, Hospitality and Multi-family into one complete offering. From this vision, the dual portfolios of Achievements and Blossoming were devised. Both encompass an extensive selection of broadloom and carpet tile patterns, ideal for an array of interior applications.

The on-trend color palette offers a diverse mixture of sophisticated neutrals and vibrant brights that can either soothe or energize an environment while adding the exceptional performance benefits of Universal Fibers® Nylon 6,6 with Permanent Stain Resistance.
