## General Guidelines

Quality Assurance	All certified carpets of Antron® Legacy™ type 6,6 nylon meet strict performance and construction standards set by Invista to assure the highest quality carpet. The Antron® type 6,6 nylon polymer provides superior resistance to crushing, matting, and wear.
Soil Retardant	DuraTech®, a patented soil resistance technology, is only available on styles of Antron® type 6,6 nylon.
Static Control	Antron® Legacy™ type 6,6 nylon carries a limited lifetime antistatic protection warranty not to exceed 3.5kV.
Flammability Ratings	ASTM E668 Flooring Radiant Panel Test: Class I. ASTM E662 NBS Smoke Chamber Test: < 450 in the Flaming Mode.
Environmental	Complete details on contributions to LEED, CRI Green Label Plus, NSF/ANSI 140-2015, HPDs and EPDs can be found on the Atlas website in the Resources tab under Environmental.
Warranty	Antron® Legacy™ type 6,6 nylon carries a Limited 10-Year Wear Warranty. See written warranties.
©Invista	All Rights Reserved. Antron® and the Antron® family of marks and logos are trademarks of INVISTA.
